GDPR For Indie Hackers Notion Bundle

> 10 plug-and-play GDPR dashboards you can clone today.

Includes

- 1 master dashboard (Notion database)
- 3 sub-pages (weekly review, monthly goals, archive)
- 12 pre-filled example entries
- 1 quick-start video (link TBD)

How to use

- 1. Duplicate the Notion template into your workspace.
- 2. Fill in the 12 example entries with your own data.
- 3. Use the weekly review page every Friday.
